** Please utilize the RPF lists provided by the CA Board of Forestry and Fire Protection when conducting forestry or range operations on forested landscapes to ensure services from a qualified, licensed professional. This information is available online at <https://bof.fire.ca.gov/projects-and-programs/professional-foresters-registration/> and is updated regularly. Truckee Fire has reproduced this list as a resource for landowners on 4/1/2024, Truckee Fire does not guarantee the services of any person listed below, it is the private landowner's responsibility to do their own due diligence when entering into contract for professional forestry services. For more information call Truckee Fire at 530-582-7888*
